The diagram illustrates a file dependency structure. At the top is a header file box labeled 'src/mpk1/blk223/stuff.h'. Below it are two source file boxes: 'src/mpk1/blk223/blk223fc.cpp' on the left and 'src/mpk1/blk223/libfc.cpp' on the right. Two blue arrows point from the bottom of each source file box up to the bottom of the header file box, indicating that both source files include the header file.
